PRODUCT OVERVIEW

RSS 1 is the premium smoked-sheet grade for industrial and specialty compounds that need the tightest dirt and ash limits in the RSS family. PRI is at or above 60. Sheets are visually graded to Green Book RSS 1 and packed at 33.33 kg in wooden crates. Seasonal volume can limit availability.

Values are typical specifications for the current production period and are confirmed lot by lot on the sales contract. Laboratory records travel with every shipment.
